Ancient Health & Vitality for Modern Men and Women

We offer various facial treatments tailored to suit your Ayurvedic skin and body type. Our facials focus on specific pressure points and can be helpful in treating pigmentation, wrinkles, excessively dry, oily or tired and sluggish skin.

Traditional Ayurvedic Facials

24 Carat Gold Facial

Traditionally used as the ultimate in rejuvenation, this exotic treatment has the ability to build healthier tissues. It increases the circulation to dull dry skin to improve internal nourishment, increase cellular absorption and leave the skin with a healthy glow.

90 min \$115

Precious Pearl Facial

Pearl has cooling properties and is excellent for treating hyper-pigmentation to even out skin tone. It gives greater elasticity and calms the skin.

90 min \$115

Thermal Facelift Facial

A powerfully rejuvenating treatment to plump the skin and deep cleanse as well as improve cellular respiration and the cell renewal process.

90 min \$115

Mango Facial

This treatment restores nourishment, hydrates and rejuvenates dry skin and assists with pigmentation and sun damaged skin.
